

# MUSIC DANCE THEATRE ARTS EARLY CHILDHOOD PROGRAMS

Whether you're a beginner or more seasoned in your art, CCM offers an array of opportunities through our Arts for All programs.

We offer programs in music, dance and theatre arts – including classes for young children, teens and adults of all abilities. CCM's Arts for All programs allow students of all ages to gain the "CCM Experience" through lessons and classes in their areas of interest. CCM Arts for All classes do not require auditions for admission.

Our flagship, CCM Preparatory (CCM Prep), is the region's premier resource for pre-professional arts training with faculty from CCM and top community professionals. CCM Prep is geared for students preparing for a future in the performing arts. Most CCM Prep classes and ensembles require an audition for admission and/or placement.

Both at CCM and through satellite locations and partnerships across Greater Cincinnati, we provide excellent, enjoyable and accessible performing arts opportunities that educate and inspire the whole student and serve as a catalyst for transforming lives and empowering our communities.
